Dear [Employee]:

[Company Name] is proud to support the American Cancer Society Relay For Life[®]. Nationwide, more than 3.5 million individuals, 500,000 cancer survivors and over 5,000 communities take part in this overnight event that honors and recognizes cancer survivors and their caregivers.

Relay For Life[®] is a fun-filled overnight event that offers everyone an opportunity to participate in the fight against cancer. Teams of family members, friends, co-workers and others join together each year to honor those that battle cancer 24 hours a day.

Cancer survivors are the heart of Relay For Life[®] events and their presence is a powerful declaration that cancer can be beaten. Survivor activities kick off the event with survivors completing the first lap around the track. Caregivers are asked to join survivors for an appreciation lap in recognition of the vital role they play in the fight against cancer. Survivors will have an opportunity to meet and talk with other survivors and to learn about services and programs the American Cancer Society has for cancer survivors and their families.

Survivors, caregivers and co-workers are all welcome to participate. To become involved with the American Cancer Society's Relay For Life[®], call [name/ title] or to learn more, please call 1-800-227-2345 or visit www.cancer.org.

Sincerely,
